

VACUUM 40

Commercial Robotic Vacuum Cleaner
for All Indoor Scenarios

Key Features

Versatile Cleaning

3-in-1 Solution

Integrates vacuuming, sweeping, and dust mopping in a single solution.

All-Pile Expert Carpet Care

Offers three carpet cleaning modes—light, medium, and deep—to accommodate various carpet pile heights effectively.

Air Purification

Multi-Purpose Diffuser Kit

An optional diffuser kit for scenting or humidifying, creating a pleasant and customizable atmosphere.

H13 HEPA Filter

Medical-grade air purification for superior air quality and cleanliness.

Ultimate Cleaning Power

24 KPA Powerful Suction

Provides exceptional suction strength, effortlessly picking up fine dust and debris.

Zero-Distance Edge Cleaning

Able to clean along the edges at zero distance, leaving the edges spot-free.

Effortless Maintenance

Docking Station

Optional charging dock for self-docking power charging

Easy-Maintenance Cleaning Components

An auto-lowering roller brush for quick replacement and optional disposable dust bags for efficient waste management.
